It is my special privilege to provide a hearty endorsement to the Standing Room Only Foundation. This organization enables one to set up a loan *gemach* (interest-free loan fund) in the name of a loved one that will perpetually be utilized to provide free loans for Chesed purposes.

The Chofetz Chaim (Ahavas Chesed 2:13-15) emphasizes how every individual should ideally set aside funds to create a personal *gemach* that can be constantly employed to extend interest free loans to others. By contributing to this organization, one can achieve this vital objective and thereby create an endless spiral of good deeds.

I extend my blessings to the founders of this organization that their efforts should be successful and that this enterprise always be conducted על טהרת הקודש – according to the highest standards of purity and holiness.

B'virkas HaTorah,
